LASER ENGRAVING STATION
MODULAR XL

VO-42017
VO-42017

**Multiple options and
personalization possible!**

Are you looking for:

- Traceability for your products
- A self-sufficient marking system with integrated autofocus for simultaneous x-, y-, and z-axis control of the laser beam
- Fully automatic marking for your products, e.g. with barcode, DMC code, serial and batch numbering or plain text for quality-relevant information?

**Then LASE group offers the
PERFECT solution!**

A standard Laser Engraving Station
with the option to read 2D codes.

Foot print: 1500 x 1500 x 2200 mm

Compatible with Keyence MD series
lasertechnology
